

HELEN O. PITCHIK, PhD, MSc

hpitchik@berkeley.edu

EDUCATION

PhD	University of California Berkeley, School of Public Health Epidemiology Committee: Lia C. H. Fernald (chair), Alan E. Hubbard, Stephen P. Luby (Stanford) Thesis: Child development in a global context: Innovations, interventions, and implementation at scale	2016-2021 Berkeley, CA
MSc	Harvard T. H. Chan School of Public Health Global Health and Population Advisors: Wafaie W. Fawzi & Christopher R. Sudfeld Thesis: Early-life predictors of child cognitive, motor and socioemotional development in Dar es Salaam, Tanzania	2014-2016 Boston, MA
AB	Harvard University Neurobiology, Mind Brain Behavior track Advisor: Robert Stickgold Honors thesis: Sleep and Ecological Memory	2008-2012 Cambridge, MA

RESEARCH EXPERIENCE

Postdoctoral Scholar

Division of Epidemiology
University of California Berkeley, School of Public Health
July 2021-present

Cambodia positive parenting programme evaluation

Funding: URC-HEARD USAID
Role: Scoping review co-lead
2022

Effects of cash transfer for the prevention of HIV in young South African women

Funding: NIH-NIMH R01MH110186
Role: Data analyst
2019-2021

Testing Means to Scale Early Childhood Development Interventions in Rural Kenya

Funding: NIH-NICHD R01HD090045
Role: Data analyst
2018-2020

RINEW: Research on Integration of Nutrition Early Childhood Development WASH

Funding: Bill & Melinda Gates foundation OPP1146808
Role: Study design, lead data analyst
2016-2021

Center for Global Child Health, Hospital for Sick Children

Role: Summer Research assistant, Supervised by Diego Bassani, PhD
Role: Summer Research assistant, Supervised by Zulfiqar Bhutta, PhD
Summer 2016
Summer 2014

Center for Disease Dynamics, Economics and Policy, New Delhi, India

Role: Full time research analyst
2012 - 2013

RESEARCH SUPPORT

ACTIVE SUPPORT

Evaluating multicomponent interventions to optimize health and development for children and adolescents living in poverty 08/2024-08/2026
NIH-NICHD K99HD114882 \$235,766
Role: PI

Effect of multi-component early child development intervention on school-aged outcomes 2024-2025
Thrasher Foundation Early Career Award \$25,000
Role: PI

PAST SUPPORT

Effects in middle childhood of early exposure to WASH interventions: cluster-randomized controlled trial 2021-2023
NIH-NICHD R03HD102468 \$100,000
Role: Equivalent to Co-I but not eligible at time of application, led all analyses
Co-wrote proposal, supported by research advisor (PI: Lia Fernald)

The Development of Picture Comprehension: Improving Learning Materials and Assessment Tools in Global Contexts 2021-2023
Schools2030 Global Research Grant \$150,000
Role: Co-I

Rapid development of guidelines for low-cost PPE evaluation and decontamination for resource-limited settings 2020
\$44,000
Stanford Center for Innovation in Global Health Seed Grant: Special COVID-19 call
Role: External Co-I (PI: Manu Prakash)

When and How Do Toddlers in Rural Western Kenya Understand the Representational Nature of Pictures? 2020
\$4,400
Psychology and Economics of Poverty (PEP) Seed Funding Award, UC Berkeley
Role: Co-I

AWARDS

UC Berkeley Graduate Division Conference Travel Grant 2019

- For travel to the Society for Epidemiologic Research Conference in Minneapolis, MN

Subir Chowdhury Graduate Fellowship on the Quality of Life in Bangladesh 2018-2019

- For dissertation work on child development in rural Bangladesh

Society for Epidemiologic Methods Dissertation Workshop Participant 2019

- Selected as one of 12 doctoral students to present dissertation prospectus for discussion with facilitating faculty and peers

UC Berkeley Center for Global Public Health Summer Research Fellowship 2018

- For summer research in Bangladesh

William Griffiths Fellowship 2017

- Recipient of Public Health Alumni Association annual scholarship competition

UC Berkeley Graduate Division Conference Travel Grant 2017

- For travel to the 2017 International Congress on Nutrition in Buenos Aires, Argentina

Harvard Center for African Studies Graduate Research Grant 2015

- For master's thesis research in Dar es Salaam, Tanzania

Mary Gordon MBB Thesis Research Grant and Harvard College Research Program Funding

2011

- For undergraduate honors thesis research in neurobiology

TEACHING, INVITED DISCUSSIONS & LECTURES

Strengthening Maternal and Newborn Care in Bangladesh

February 2022

Discussant

- For a panel discussion on a USAID-funded Maternal Newborn Care Strengthening Project

HED825: Introduction to Epidemiology, San Francisco State University

April 2020

Guest Lecturer

- Developed and delivered 45-minute lecture on intervention study designs to MPH students enrolled in a department of health education core course

PH218b: Evaluation of Health and Social Programs, UC Berkeley School of Public Health

October 2019

Guest Lecturer

- Developed and delivered a 60-minute lecture on randomized control trials with an applied example

PH250C: Advanced Epidemiologic Methods, UC Berkeley School of Public Health

Spring 2019

Graduate Student Instructor

- Taught weekly 2-hour discussion sessions and maintained weekly office hours to review material covered in lecture
- Graded homework assignments, midterms, and final exams

PH250B: Epidemiologic Methods II, UC Berkeley School of Public Health

Fall 2017

Graduate Student Instructor

- Developed, administered, and graded three exams throughout the semester to test students' mastery of epidemiologic methods concepts
- Co-taught weekly 2-hour discussion sessions and maintained weekly office hours to review material covered in lecture

GPH504: Applied Qualitative Methods for International Health Research, Harvard T.H. Chan School of Public Health

Spring 2016

Teaching Assistant

- Graded assignments, updated teaching materials, and co-taught a session on focus groups

CONFERENCE PRESENTATIONS

1. **Pitchik HO**, Fernald LCH, Rahman M, *et al.* COVID-19 and child development in a longitudinal cohort in rural Bangladesh. Meeting of the Society for Epidemiologic Research. Portland, OR; June 2023 [oral]
2. **Pitchik HO**, Fernald LCH, Rahman M, *et al.* Impact of COVID-19 on child development, academic achievement, and behavioral development in Rural Bangladesh. Society for Research on Child Development Biennial Meeting. Salt Lake City, UT; March 2023 [oral]
3. Tofail F, **Pitchik HO (presenting)**, Shoab AKM, *et al.* A 7-year follow-up of an early water, sanitation, hygiene, and nutrition intervention in rural Bangladesh. Society for Research on Child Development Biennial Meeting. Salt Lake City, UT; March 2023 [oral]
4. **Pitchik HO**, Chung EO, Bhushan NL, *et al.* Pregnancy and depressive symptoms in adolescent girls and young women (HPTN 068). Meeting of the Society for Epidemiologic Research. Chicago, IL; June 2022. [oral]
5. **Pitchik HO**, Tofail F, Akter F, *et al.* Effects of the COVID-19 pandemic on caregiver mental health in a low-resource, rural context. Measuring Development 2021: Emerging Data and Methods in Global Health Research. Virtual; April 2021 [oral]
6. **Pitchik HO**, Tofail F, Akter F, *et al.* Effects of the COVID-19 pandemic on caregiver stimulation and maternal mental health in rural Bangladesh. Society for Research on Child Development Biennial Meeting. Virtual; April 2021 [oral]
7. **Pitchik HO**, Sultana J, Shoab AK, *et al.* Delivery of an integrated child development intervention by government health workers in Chatmohar, Bangladesh. Society for Research on Child Development Biennial Meeting. Virtual; April 2021[oral]
8. **Pitchik HO**, Tofail F, Fernald LCH, *et al.* Concurrent validity of the Ages and Stages Questionnaire Inventory in rural Bangladesh. Panel Discussion at Connecting Worlds: Studying Child Development in Low Resource Contexts, special topic meeting of SRCD. Virtual; Dec 2020. [oral]
9. **Pitchik HO**, Rahman M, Tofail F, *et al.* Scaling up an integrated child development intervention in Chatmohar, Bangladesh. Meeting of the Society for Epidemiologic Research. Virtual; Dec 2020. [poster]
10. **Pitchik HO**, Tofail F, Fernald LCH, *et al.* Examining the delivery and dosage of caregiving interventions and caregiving practices in rural Bangladesh, a cluster RCT. Meeting of the Society for Epidemiologic Research. Minneapolis, MN; June 2019. [poster]
11. **Pitchik HO**, Tofail F, Fernald LCH, *et al.* Impact of integrated caregiving intervention on maternal caregiving practices and mental health in rural Bangladesh, a Cluster RCT. Meeting of the Society for Research in Child Development. Baltimore, MD; March 2019. [poster]
12. **Pitchik HO**, Fawzi WW, Sudfeld CR, *et al.* Prenatal nutrition, stimulation, and exposure to punishment are associated with early child motor, cognitive, and socioemotional development in Dar es Salaam, Tanzania. International Congress on Nutrition, Buenos Aires, Argentina; Oct 2017. [poster]

SERVICE

Ad hoc reviewer

- Child Development, Maternal & Child Nutrition, Wellcome Trust

N95decon.org

April 2020 – Dec 2021

- Part of a team of volunteer scientists and researchers developing PPE guidance for low- and middle-income countries during the COVID-19 pandemic

Mentor, Undergraduate Research Apprentice Program

Spring 2017

- Met weekly with two undergraduate students to introduce them to global child development research and mentor them on a research project to better understand parenting practices in rural Bangladesh

PROFESSIONAL AFFILIATIONS

- Society for Epidemiologic Research
- Society for Research in Child Development

SOFTWARE

- Quantitative Analysis: Stata, R
- Qualitative Analysis: Nvivo, ATLAS.ti
- Survey Administration: SurveyCTO, CommCare, REDCap, OpenDataKit, KoboCollect
